

GO DIGITAL WITH 23 SEPARATE AIRLINES AND 975 TOP-RATED HOTELS

In collaboration with Asendia Press and Media Carrier GmbH, we offer global and domestic digital distribution. Media Box is a digital resource that enables us to offer an exclusive audience to our magazines as a digital download. With Media Box, we provide our titles to frequent flyers in airline lounges and guests of exclusive four- and five-star hotels. Due to the electronic distribution, the titles are always up to date, in some cases even before the print edition is available.
